Use with factory Non-MDS lifter trays

Contains: 16 lifters

**Part number**

**292326-16**

**UPC: 729295163411**

- Cold forged steel body, heat treated for exceptional wear resistance
- Precision ground needle roller bearing with high chromium steel axle for long life and minimal friction
- Cold forged extra long piston, precision ground and fitted for controlled leak down and pump up
- High flow disc style quick reacting check valve for better reaction at higher RPM
- Precision oil metering assuring proper oiling to the rocker arms without sacrificing oil pressure
- All hydraulic lifters are available with short travel, variable duration lift and axle oiling features
- Can be used in Non-MDS applications and MDS deleted engines.
