Part number
3-750SA
UPC: 729295299912

- Variable valve timing (VVT) sprocket not included
- Crankshaft sprocket includes DLC coated spacers
- Coated spacers increase load carrying capacity, prevents galling, fretting and adhesive wear from extreme pressures of the supercharger and massive cylinder pressures

KIT INCLUDES (1) 750 TIMING CHAIN, (1) BG5599 TIMING CHAIN GUIDE, (1) BT7002 TIMING CHAIN TENSIONER, (1) S1151 CRANKSHAFT SPROCKET

**** Always consult catalog listings for detailed application information****
